

Engineering Changes – Spring 2000

Cup Dispensers

All B1RR & B1SR coolers are supplied with a free cup dispenser kit. We have now introduced a dispenser with these extra features:

- Suitable for all cup styles (including cone cups!)
- Hinged lid (stops them being used as coasters, ashtrays etc)
- Increased capacity
- Common cup out for both RR & SR style cabinets

Description	B1RR	B1SR
Bracket, Cabinet	034077-001	034077-002
Cup Out	034079-001	034079-001
Lid	034078-001	034078-001
Tube	032694-001	032694-001
Full Kit x 1	032737-013	032737-014
Full Kit x 18	032737-011	032737-012

Part Number Changes

As a result of administrative changes, the following changes should be noted when you are ordering spare parts:

Description	Old Number	New Number
Faucet body	032017-001	033517-001
Faucet assembly, blue/white (COLD)	032052-001	033552-001
Faucet assembly, white/white (COOK)	032052-002	033552-002
Faucet assembly (safety), red/white (HOT)	032052-003	033552-003
Faucet assembly (safety), blue/white (COLD)	032052-016	033552-016
Faucet assembly (safety), white/white (COOK)	032052-015	033552-015
Stamped V-coupling (Hot tank assembly)	032729-001	032729-002
Nut plate, B1RCT	033448-001	033448-002
Cold control, B1RCT	032582-001	032582-005
Faucet clip	032080-002	032080-005
Strut, RR/SR	031374-001	031374-002
Nut plate, RR/SR	031529-001	031529-002
IEC Inlet bracket, RR/SR	031903-001	031903-002
